To the best of my knowledge, the questions on this form have been accurately answered. I understand that providing incorrect information can be dangerous to my (or patient's) health. It is my responsibility to inform the dental office of any changes in medical status.

Signature of Patient, Parent, or Guardian: \_\_\_\_\_ Date: \_\_\_\_\_

## CONSENT FOR TREATMENT

I hereby authorize doctor or designed staff to take x-rays, study models, photographs, and any other diagnostic aids deemed appropriate by doctor to make a thorough diagnosis of patient's dental needs. Upon such diagnosis, I authorize the doctor to perform all the recommended treatment mutually agreed upon by me and to employ such assistance as required to provide proper care. I agree to the use of anesthetics, sedatives and other medication as necessary. I fully understand that using anesthetic agents embodies certain risks. I understand that I can ask for a complete recital of any possible complications.

## FINANCIAL GUIDELINES

I understand that: 1) Full payment is due at the time of service. 2) **All charges are ultimately the responsibility of the patient/guarantor/ (regardless of insurance).** 3) A third party (with the exception of insurance companies) will not be billed for any amount due to this office. Custodial parents are guarantors for children: this office is not party in domestic settlements. 4) In the event payment is not made by the due date, a late charge fee may be added to the patient's account. 5) Any collection fees incurred by this office in an attempt to obtain payment, or bank fees for a returned check, or fees for an appointment missed or broken with less than 48 hours notice will be paid by the patient/guarantor.

### ADDITIONAL POLICES PERTAINING TO INSURANCE:

I understand that: 1) We cannot bill your insurance company unless we are given the correct information. This includes subscriber's name and date of birth, subscriber's employer, correct identification number, and mailing address of the insurance company. 2) The patient/guarantor is responsible to pay for all services rendered on the behalf if insurance does not pay within 60 days of date of service. 3) Any deductible and/or co-insurance is due at time of service. 4) **This office is not contracted with any insurance as a networked provider. Therefore, any fee or portion of a fee not covered by insurance is the patient's/guarantor's responsibility to pay.** Acceptance of insurance assignment of benefits to this office does not absolve the patient of full responsibility of payment for treatment rendered. Any estimate given by this office regarding insurance portion is only a guideline until guarantee of the insurance payment is received and the patient's account has been reconciled. **This office makes no guarantee of the insurance payment as estimated.** 5) Any patient/guarantor whose insurance carrier does not honor assignment of benefits to the provider of service must pay this office in full at the time of the services rendered. This office makes no guarantee of the insurance payment as estimated.
